The Bongles

Meet **Big Bubba!**

He's huge in size.

He loves to eat hearty,
especially pies!

The Twins share a tail
and look quite the same.

Double and Trouble
by nature and name.

And this is **Brainy**,
with specs and all yellow.
Too clever by half,
this short little fellow.

This is **Pet Robot**,
built from spare parts.
He is their mascot
and dear to their hearts.

On a planet far far **away...**
the night was about
to make way for the **day.**

The Twins woke up
and started singing,
when something washed up.
A phone was ringing!

Slowly **the Twins**
crept up to the **phone**.
They grabbed the receiver.
Was anyone **home?**

A voice rang out,
'Would you like a **meal deal?**'
They jumped with fright
and let out a **squeal!**

They twisted and twirled,
their tail got caught.
Soon they were tied up
all in a knot.

They hopped about
like a jumping flea,
but eventually...
they set themselves free.

They yanked at the cord
but try as they **might**.
Something was stuck.
The line it was **tight**.

They tried with **Brainy**.

but it was no **use**.

They needed **Bubba**.

Who was he to **refuse**?

All four of them pulled.
They counted to three...

...Then a telephone box flew
out of the sea.

It rushed through the air
and crashed on the sand
and a takeaway menu
fell in Bubba's hand.

There were pictures of tofu,
of cashews and **ragu**.

So much choice
on that takeaway **menu**.

Big Bubba drooled.

He was easily fooled.

He licked the menu
and started to chew!

Then **Brainy** took over.

Thank heavens for **that**.

He dialed a number
and had a good **chat**.

He ordered some food
and let **Bubba** choose.
Bubba thought hard
then chose the **cashews**.

Then in no time
a chopper arrived.
The takeaway came
with corn on the side.

But the food was too heavy.

Bubba started to **slide**,
and the phone box drifted
away with the **tide**.

Then a monster appeared.

He sniffed the food,

he smacked his lips.

Oh boy, it smelled good!

He took a big bite.

The Bongles took fright.

They paddled away,
with all of their **might!**

And in no time
they were back on the land.

And **Big Bubba** held
the phone in his hand.

He called out for more.
The phone made a **sound**
and across the bay
the monster turned **round**.

He looked at the phone
and in one big slurp,

he ate the receiver
and let out a...

...burp.
